

Z3N

LIGHTEST CANTILEVER ON THE MARKET

A cantilever lift with 750 kg lifting capacity for 3.5 tonne vehicles.

Slim and lightweight design with narrow arms makes this the first choice for 3.5 t urban distribution vehicles. Comes with powder painted steel frame and an aluminium platform. A durable lift designed to maximise payload and vehicle up time.

- **Lightweight:** At 171 kg fully equipped, this lift is the lightest cantilever lift on the market.
- **Safety:** Slip resistant platform and rear under-run protection according to the new regulation.
- **Ease of Installation:** Mounting kits for all major truck manufacturers, and flexible bracket widths makes the lift fit nearly all 3.5 tonnes trucks. Includes folding under-run protection for a better ground clearance.
- **Ease of use:** Double acting tilt cylinders ensure speedy loading and offloading regardless of weather or temperature. Quick opening minimizes waiting time.

The Z3N is very easy to operate and very simple to maintain. It is the ideal lift to support your busy last mile deliveries.

The Z3N is made to help maximise payload

SUITABLE FOR

- Vehicle hire
- Construction
- Wholesalers
- Highways
- Horticulture
- Local authorities
- Railways
- Laundries
- Builders merchants
- Parcel deliveries
